The Worcester Art Museum is fortunate to have complete sets of his two major print series on bullfighting, The Tauromaquia, which loosely documents the history of Spanish bullfighting, and his lithographic masterpiece, The Bulls of Bordeaux. After his first modest attempts, he mastered the technique and produced the Bulls of Bordeaux 1825 , regarded as among the most remarkable examples of the medium ever produced.

Provenance: From the library of Denis Thomas with his bookplate to front pastedown.

Goya

. At times presented as a noble and heroic display of humanity's ability to conquer a primal, fierce enemy, Goya's Tauromaquia uses bullfighting as the cultural connection unifying Spain's turbulent Iberian, Muslim, and Christian past.
