God loves mewhat greater miracle could there be? An incredible chance encounter that changes everything. In each, a person in trouble cries out to God for help, and miraculously, God answers; the teens are left with a stronger belief than ever that there is indeed an almighty God watching over them and loving them.

The characters portrayed held a deep faith in God which was proved and displayed through very trying circumstances. The stories are mainly about families and children and God's great intervention in their lives. Monday night she took a walk around her neighborhood and realized her situation.

One afternoon after a morning in which her firstborn girl was heavy on her heart, Cindy showered and headed for school. It is a blessing, a calling, an absolutely divine doing. For her, today is a very special day.

Miracles: A 52

It is a book of stories that will touch your heart as you read about people that adopted or gave up a child for adoption and the blessings they received. She and her parents reconciled, though Cindy could never quite forget what they'd done or how they'd thought it would work out for the best.

Miracles: A 52

This was a heart warming read, that's great for a rainy afternoon. But it was July, and Tanner and his family were spending a month on the beach in the south of France. I would recommend this to middle school and above because this topic is a hard topic to grasp for young immature minds.

A Treasury of Miracles

The Cannucci and West Side Baptist Church stories were particularly moving for me. I understood the purpose and language behind each story, but honestly if I was a non-Christian reading it, it would either make me laugh or turn me off. Best-selling author Karen Kingsbury delivers another inspiring book in her Treasury of Miracles series.
