### Police

It affected just over 13,000 out of a total Indian population of 400,000. On Hispaniola only twenty to thirty thousand adult Tainos remained alive, far fewer than the pre-Columbian population of at least several hundred thousand and by some estimates as high as 8 million.

### East Indians of the Caribbean

In 1851 California governor John McDougal warned Indians that if they did not submit to treaties on U.

### Factors Influencing the Crime Rate

Two persons had narrowly escaped serious injury, and a third was fatally wounded. More certainly needs to be done to improve the fractured relationship between cops and the communities they are sworn to protect, but that can only happen with a concerted effort between police and citizens of good will.

### Race and Ethnicity in the United States

Sometime around the mid-1840s, however, as bison populations declined, leading to the collapse of the Comanche economy, so did the Comanche population. He expressed his enjoyment of the pleasant simplicity and unconventionalality of life.
