## Marilyn Strathern

More than 280 courses are on offer. The US-centric focus on Boas seems a bit odd, considering he was born in Westphalia, in the German kingdom of Prussia, into a non-religious Jewish family, on 9 July 1858. Not religious himself, he insisted that Darwin's conclusions lacked empirical foundation.

## Bell, Diane

In contrast, archaeology and biological anthropology remained largely positivist.

## Anthropology

He received his MA from the Center of Advanced Study in Sanskrit, Poona University, and his PhD in oriental studies from the University of Pennsylvania. In 2004 Bell bought a farm in Ngarrindjeri country and almost immediately became involved in the politics of water and the local campaign to stop damming the River Murray where it entered Lake Alexandrina. In 1883, he financed an expedition by arranging with Berlin newspapers to act as their Arctic correspondent.

## Department of Anthropology

These objects inevitably reflect the historical, geographic, and social conditions of their origin.

## Microsoft

Those who advocate this model for America generally advocate providing special attention and assistance to minorities that had been underrepresented in the past. Please support us by making a donation or purchasing a subscription today.
