### Why Won't CPS Act Before Child Abuse Happens?

Remember that whatever your child is feeling is okay. Child Abuse and Neglect 7:265-270.

### 6 CONSEQUENCES OF CHILD ABUSE AND NEGLECT

Regardless of the type of abuse, the result is serious emotional harm. In many studies of the effects of observing family violence, for example, the child subjects are often themselves the victims of physical child abuse. Similarly, according to Rutter 1966 , the age period of greatest risk for the stress of hospital admission is between 6 months and 4 years of age.

### Why Won't CPS Act Before Child Abuse Happens?

American Journal of Orthopsychiatry 61 2 :195-209.
