## Exploration RULES!

Exploration Rewards Whenever a hex is explored fully, the party earns 100 XP for the effort. Wokka-wokka is a fun way to inspire kids to move in creative ways because the kids in this story move in such unique ways.

## Travel and Exploration Rules

The rest of the daylight time is spent making and breaking camp, resting, and eating. The images on display speak for the desire of meaningful change while explores race relations, urban life and portrayal of marginalised American families. From that perspective, they do seem to work alongside each other after all, thank you.

## Books of Discovery: Manual Therapy Textbooks & Educational Resources

The mechanical rules are now on the horizon. Beyond the protection of civilization, death can come at the hands of bandit attacks, encounters with feral beasts, and the uncaring whims of the environment.

## Virtual Fitness, Movement Exploration, Health and Firtness Education

Consider this rule a part of the Exploration Master Module. If the pursuer wins, it catches the fleeing creature. There is also an increasing chance that the party will suffer some random event, setback, or complication.

## A guide to movement exploration (Book, 1971) [localize-img.justmote.me]

Acquiring food and finding shelter against the elements is paramount, and losing supplies has a crippling effect on the party, as they have to hunt and forage just to acquire enough food and water to survive another day. Exploration has a completely different focus from those other modes of play. However, the GM does not add a token to the Time Pool if there are already six tokens in the Time Pool.
