Vikings and the Danelaw — select papers from the 13th Viking Congress Graham-Campbell, Hall, Jesch and Parsons, eds , 21 essays, 368 pages, published in 2001 Some essays were a lot more interesting than others and if a topic didn't grab me I didn't feel the need to read it. The artefacts from the 2016 and future excavations will also be deposited with the museum after our team has finished their analyses. However, an intensive programme of archaeological investigation — involving excavation, monitoring of chance disturbances, review of early archaeological finds and a consideration of documentary sources, maps and place-names — indicates that this eminent position was achieved within three centuries.
