### Social Security

SSA's field offices had been taking initial claims over the phone for many years. Although the system has become larger and more expensive, Social Security growth has very likely affected the incidence of poverty among the elderly. Another important element in the Clinton administration's efforts was creation of The State Children's Health Insurance Program SCHIP , included in the Balanced Budget Act of 1997.

### Social Security

Negotiations between the agencies were hampered by different interpretations of the law based on their differing needs.

### Older Americans Act

Given its deadline, the Social Security Board could not wait until the next legislative session to begin its work. In addition, DAO began microfilming records, which not only introduced workyear savings, but also freed up filing equipment and space. The effort required to create the Medicare program while simultaneously implementing the OASDI benefit portion of the 1965 legislation was staggering.

### 12 Ways Social Security Has Drastically Changed Since Its Inception

SSA created its National 800 Number Network by integrating the existing 34 local sites with three new teleservice centers in Birmingham, Honolulu, and San Juan.

### 12 Ways Social Security Has Drastically Changed Since Its Inception

If the SSA determines that you lack the qualifications to help the claimant, it can reject your appointment. Thereafter, since Social Security is only authorized to pay beneficiaries what it collects in payroll taxes dedicated to the program, program payouts will fall by an estimated 21%. The new program incorporated work requirements and time limits.

### The ADA National Network Disability Law Handbook

By June 30, 1976, SSA had reduced pending hearings from 111,169 to 89,769.
