Then, unfortunately, the volumes was stolen in the nineteen eighties but, thankfully, returned to the Bishopsgate intact years later as part of Operation Bumblebee, tracking art thefts back to their owners — and just waiting on the shelf there for me to come upon them last week. In special circumstances we can sometimes offer a shop voucher if in the event of such happening. So-called because much of the raw material originally came from the tanneries of North Africa other types of goatskin bindings denoting regions of origin include levant, turkey, niger.

When I first walked into the building accompanied by the police, I was stunned. A good copy with some scuffs and rubbing to boards and spine.

## The Microcosm of London

Tanning to spine with crushing, adhesive tape and tears at ends.
