## JOURNAL OF MINING SCIENCE

The results of test on model material represented by gypsum are cited. This journal has partnered with , an open access journal from Elsevier publishing peer reviewed research across all engineering disciplines. Papers to be published will be peer-reviewed and edited by authorities in those fields.

### Mining Science Journal

Between 1987 and 2018 Full Professor at the Federal University of Rio Grande do Sul. Show Review in Original Language 0 Thank Anonymous Author: Anonymous Subject Area: Duration of Peer Review: 24.

### Hard Rock Mining with the Use of New Cutting Tools, Journal of Mining Science

The journal also aims to help researchers, scientists, manufacturers, institutions, world agencies, societies, etc. Thesis Title:Computationally Efficient Reduced Order Model for Complex Flows. The final decision on the acceptance of an article for publication is made by the Editorial Board.

### Journal of Mining Science

His research interests include dust control, industrial fine particulate matter control, mine safety and environment, and industrial ventilation and occupational health. Dr Yannis Dimakopoulos is a tenured Assistant Professor at the Department of Chemical Engineering of University of Patras. CiteScore values are based on citation counts in a range of four years e.

### International Journal of Data Mining Science

. Reviewers should indicate in a review i any relevant published work that has not been cited by the authors, ii anything that has been reported in previous publications and not given appropriate reference or citation, iii any substantial similarity or overlap with any other manuscript published or unpublished of which they have personal Knowledge. This journal publishes original and innovative research papers and high-quality reviews covering the latest advances on theories, methodologies and applications in the fields of mining sciences and technologies.
