The Ming and Qing Imperial States and Their Agrarian Economies

. The Ming dynasty 1368-1644 , a period of commercial expansion and cultural innovation, fashioned the relationship between the present day state and society in China. If you would like to participate, please visit the project page, where you can join and see a list of open tasks.

The Chinese State in Ming Society (豆瓣)

This imaginative reconsidering of existing scholarship on the history of China will be fascinating reading for scholars and students interested in China's development. This unique collection of reworked and heavily illustrated essays, by one of the leading scholars of Chinese history, re-examines this relationship.
