[Q

Futuh-i haramayn: sixteenth-century illustrations of the hajj route. So who is buying their argument, what with bribery, kick-backs, stock options, insider trading, junk bonds, fraud, cooking of books, currency speculation and money laundering, to mention just a few of the great virtues of capitalists! Louay Fatoohi, Alminar Books, Philadelphia, 1999; also published by A.

[Q

The Ayyubid Sultan of Damascus, al-Malik al-Ashraf Mūsā r. Moudden el- , Abderrahmane 1990. Chief among them, the tafsīr of the mystic Muqātil b.

[Q

Rubrications in red, green, gold Shelfmark: MS Or 261 Binding: Islamic binding. We could possibly interpret these elements as an additional visual medium to strengthen the evocation of the Prophet or to facilitate the spatial recollection of the Mosque of Medina.

**Wasīlatul 'Ibād**

The battle of images: Mecca vs. If the images in North African books have been systematically interpreted in a superficial way, this article proposes a reading at the crossroads of art history, codicology and a careful examination of the main text and the precious annotations added by the readers of some unpublished manuscripts.
