### Feeling Hopeless? Learn How To Talk So Your Kids Will Listen

More importantly, though, many parents have not established a firm culture of accountability in their homes. Messenger Kids gives parents more control.

### Things You Should Say To Your Kids Every Day

That connection is also the only reason children willingly follow our rules.

### 10 Habits to Strengthen a Parent

Email may be a good way to connect with an introvert. Most arguments are over senseless things.

### 5 Secrets for Communicating with Your Teen

But at a recent parent meeting at her preschool, the director began introducing everyone to each other. If a child doesn't have all their letters memorized it's not because they aren't intelligent.

### Five Ways to Talk with Your Kids So They Feel Loved

If her story makes you want to yell or get angry, take a breath, pause, and try again to understand her point of view so you can understand what she experienced, and ask questions until you get it. But that doesn't mean we're excused from trying. Gratitude shows another level of love and appreciation for them and their value as people.

### How can you get your child to talk to you? Earn his trust.

A child is a child. More Resources for Connecting with your Tween and Teen Have you tried Special Time? A library of kid-appropriate and specially chosen GIFs, frames, stickers, masks and drawing tools lets them decorate content and express their personalities. Luckily, there are ways to teach them.
