Bibliography. 2. Dictionaries of Americanisms. Mencken, H.L. 1921. The American Language

The more the schoolmaster read the advertisement, the more he was astonished at the rashest set of temerity he had ever witnessed in his born days. Will the Parson taste a little of our New England rum? Subsequently, however, he discovered it in two or three of our authors.

Glossary of American terms not widely used in the United Kingdom

In England, according to Grose, land that has long lain fallow or in sheep-walks, is so called during the first year after the alteration. This word is common in New England, and is used in the same sense in England. This is the most fruitful and permanent source of dialects.

A new dictionary of Americanisms : being a glossary of words supposed to be peculiar to the United States and the dominion of Canada /

From the Dutch have come boss, an overseer or superior baas ; cold slaw, cabbage salad kool slaa ; cruller kruller, to twist ; hook, a point of land hoek, a corner ; noodles, an imitation of macaroni noodlejes ; overslough, to supersede or defeat orerslaan, to skip or pretermitt ; stoop or stoup, the step or steps of a house stoep. Deep thought; absence of mind.

Dictionary of Americanisms: A Glossary of Words and Phrases, Usually Regarded as Peculiar To The United States by John Russell Bartlett

This sense of the word is peculiar to the West.
