The Library of Congress: 17 October 1929 to 28 February 1930. The Montagu copy is of unique importance in several respects: before 1889 its sheets were marked up in manuscript by the author in preparation of The Nursery Alice 1889 , and in 1899 ten of Tenniel's drawings were bound up with them. Japan is currently the only advanced industrial democracy with a fourth-generation immigrant problem.
