## Laurel Canyon movie review & film summary (2003)

Note that its generous natural attributes and proximity to urbanity also make it a popular spot, so it may be crowded, especially on weekends. In the 1960s, local musicians would come to jam on the front porch together -- members of the Byrds and Buffalo Springfield numbered among them.

## The Home Depot Logo

Of course, the name album itself pays ode to the creative scene in Laurel Canyon at the time, of which she was a member, and has multiple themes referencing the aura. Jim Morrison's house, which was recently remodeled, is next door to the Canyon Cleaners and behind the Country Store. Please note that it's not currently safe or responsible to be traveling internationally, and as such all travel-themed content on this site is simply meant for research and inspiration.
