## 9780618257768: Inventing America: Jefferson's Declaration of Independence

Garry Wills born May 22, 1934 is an American author, journalist, and historian, specializing in American history, politics, and religion.

### Inventing America: Jefferson's Declaration of Independence by Garry Wills, Paperback

We can also learn that even people who fancy themselves smart can be extremely foolish, such as the way that the author continually misrepresents the founders as having created thirteen states rather than one nation. Nonetheless, for the patient reader, the rewards are great, indeed! Used items may not include supplementary materials such as CDs or access codes.

### Inventing America : : Jefferson's Declaration of independence...

Among these is the way that the author seeks to discredit Thomas Jefferson on account of his conduct as a slaveowner while simultaneously claiming from Thomas Jefferson a legitimacy for his own form of egalitarian politics. Set in the early twentieth century, Independent People recalls both Iceland's medieval epics and such classics as Sigrid. However, I am glad that I did not, because after the philosophy discussions the book became much more interesting for me.
