**20th**

Absurd drama uses conventionalised speech, clichés, slogans and technical jargon, which it distorts, parodies and breaks down. Relevant discussion may be found on the. In 1936, he became a co-founder, along with a group of young fellow intellectuals, of the Théâtre du Travail, a professional acting company specializing in drama with left-wing political themes.

**20th**

Camus presents both of these perspectives as valid, though his personal sympathy is with Rieux, and shows that every single person tries to come to terms with the plague whether it is through religion, philosophy, volunteering, suffering, or other methods and means. This outside view, the perspective of the exile, became his characteristic stance as a writer. Can an absurd world have intrinsic value? But the absurdist seems to reaffirm the way in which death ultimately nullifies our meaning-making activities, a conclusion the existentialists seem to resist through various notions of posterity or, in Sartre's case, participation in a grand humanist project.

**The Absurdity of Existence: Franz Kafka and Albert Camus**

Aron is eight years old when the tale begins in 1936, but the book focuses on the tragic months in 1942 when he is thirteen.

**Absurdist fiction**

Absurd elements first made their appearance shortly after the rise of Greek drama.
