## HISTORY OF INDIA: 2009

The main weakness of Indian culture lay in the field of science. Formed with the building of a dam in 1895, this reservoir meanders around the contours of the wooded hills, providing a perennial source of water for the local wildlife.

### A brief introduction to India

The hereditary prime ministership of Cochin came to an end during this period.

### Travancore

Further, Ankam duel and Pata battle are part of the performance. He stood strongly against the priesthood of Brahmins, their nobility and the caste system and propagated equality and humanity of man. In Avadh, for instance, land was restored to the taluqdars and they were given revenue and other powers as well, and the peasants could not avail of the provisions of the 1859 Bengal Rent Act.
