Our Story — The Expat

Just before reaching Taj Mahal, we told the driver to stop when we saw a nice hotel on the street. In the main house, they kept things simple but added a few tastes of home... like the black and white tiled kitchen floor and the red and white checked drapes.

A book for every Bangalorean

Il negozi aveva cose carine, prezzi folli ed er pieno di turisti francesi contenti di fare shopping e convinti di fare ottimi affari. We rented a car with a driver and we visited some places.

The Expat Story, The Expat Hindi Movie Story, Preview, Synopsis

Every time the picture of the situation becomes clearer. Over twelve thousand foreigners that is, more than half the expatriate population in the country now live in Bangalore.

Quran Collection: Al Quran Al Kareem

I began to think, maybe she was right.

My Expat Story: One Year In Bangalore

My only regret so far after almost one year in our new home? However, two years later, a strained relationship with the proprietor led to Pal leaving the institution to return to Kolkata. Letting kids be kids among endless packing materials.
