## Use timid in a sentence

I believe that Stoker created these two characters to embody the dichotomy within the social debate about women at the turn of the 20th century.

## First Kiss

She rises again as undead. Through the course of the sixteen titles on the album, Kendrick describes his rise as a rap star, the temptations he faced with it, the self-hatred that ensued, and the epiphany that allowed him to remain grounded.

## Charlie Brown and the 'Peanuts' gang changed these writers' lives

Following the demise of the group, Destra attended the School of Business and Management earning a diploma in Sales Management. For example, Loke summons himself most of the time without Lucy doing so herself, Virgo also has summoned herself once, as have Gemini and Horologium and if trust between the Celestial Spirit and the owner is not an issue, contracts can be temporarily dissolved.

## Ideals of the Victorian Woman as Depicted in 'Dracula'

When Celia in her glory shows, If Strephon would but stop his nose Who now so impiously blasphemess Her ointments, daubs, and paints and creams, Her washes, slops, and every clout, With which he makes so foul a rout He soon would learn to think like me, And bless his ravished sight to see Such order from confusion sprung, Such gaudy tulips raised from dung. The President's critics say he has been too timid in responding to changing international developments 13.
