**Albion: the origins of the English imagination, by Peter Ackroyd**

It is Peter Ackroyd at his most brilliant and exuberant.

**Albion : the origins of the English imagination : Ackroyd, Peter, 1949**

What I liked: Ackroyd identified numerous qualities o Although I was initially unsure of whether I would enjoy reading this book or not, I think it was a very intriguing and thought-provoking read.

**A Note on English Melancholy**

The names of London and the Isle of Man are Celtic. Book Descriptions: We have made it easy for you to find a PDF Ebooks without any digging. The changes of the twentieth century offered plenty of chall I was going to rate this one three stars for its glaring lack of attention to the twentieth century, but it convinced me to start learning Old English.

**Albion: The Origins of the English... book by Peter Ackroyd**

The poetry has an impersonal force, eschewing place-names or personal names, guided by litotes and understatement towards a powerful compression of feeling. His lively biographical sketches and incisive exegeses of the work of figures both well known and less familiar deepen our understanding and appreciation of our inherited culture.
