## Homeschool Geometry Curriculum

I made a suggestion to my school that they should recommend your site to people like me as a prep for the placement test. As for ALEKS, I scored more than what I needed to place into the math class required to complete my prerequisite for the nursing program. The program is packed with everything that you need in a stand-alone Homeschool Geometry course.

## High School Geometry Curriculum

I checked out a few of the links to related lessons along the way just to make sure I was understanding things as fully as I felt I was, and those lessons reinforced what I knew and gave me confidence to progress to the next section.

I also enjoyed the instantaneous results from the lessons and quizzes to test my knowledge along the way. Thanks for your great test prep. Carter Edelen - May 2021 The Geometry curriculum was challenging, but the structure of the course encouraged learning.

## Geometry Curriculum

I was using this service to refresh my math skills and it worked. There was just enough information provided to answer the questions without any extra fluff. Republic act 10157, or the kindergarten education act made kindergarten the compulsory and mandatory entry stage to basic education.

## **Homeschool Geometry Curriculum**

I believe the most helpful sections of the course for me were the explanations for the more involved word problems. How are constructions and transformations used to understand and be more precise about. Looking forward to acing the math section of the GRE.

## **MATHEMATICS CURRICULUM GUIDE GEOMETRY**

I studied with them 2 hours a day minus weekends. The other 2 instructors were great too. Associate the long and short sounds with common spellings for the five major vowels.
