## Doing Time on a Southern Prison Farm

Death row prisoners are not allowed to work a job and have no means in which to barter ~ our only means of survival with minimal comfort is through the compassion and generosity of those who care about us. What if it was you or your family that was killed? His current maximum release date is Aug.

The significance of this cannot be understated.

## Seven Things to Know About Repeat Offenders

Do you beat your kids just in case they might do something wrong or lie about it? I pray that you will bow voluntarily in this life instead of involuntarily in the next.

## Doing Time on a Southern Prison Farm

There should be gallows and firing squads, all set up line arena football. Perhaps it was there, seeing the suffering of the poorer classes, that her communist sympathies bloomed; she watched an illiterate soldier, a shepherd before the war, as he cried at the window, cradling his shattered arm and worrying about his lost children.

## Captive Angels Home

The files obtained from the government also exposed two previous attempts to frame him while in the Panthers, one for murder and the other for robbery. In the gym, we will have nothing.

## **Anthony Graves: ‘Being A Prisoner During COVID Is A Death Sentence’**

The mind has roughly 60,000 thoughts per day. I'm making this into a positive situation.

### **Doing Time on a Southern Prison Farm**

I remain alive only because I still have the strength within me to cling desperately to the remnants of hope that pass my way.

### **US Death Penalty Wrongful Convictions Executions**

Our complex, miraculous and intricate brains were not designed to deal with nagging bosses, paying bills or watching Kardashian repeats. But that card was sent on her own - from something within her — a quality that I can only stand in awe and respect of, as in my entire life I have known so very few people who had the strength and moral character to rise above their own personal loss and suffering to reach out with such compassion and forgiveness. Nevertheless there are situations and circumstances we can control or avoid.
