De la Puente brings remarkable insights to a narrative showing how previously unknown peoples and ideas created new power structures and institutions, as well as novel ways of being urban, Indian, elite, and subject.

Indian Society in the Valley of Lima, Peru, 1532

The Routledge Hispanic Studies Companion to Colonial Latin America and the Caribbean 1492-1898 brings together an international team of scholars to explore new interdisciplinary and comparative approaches for the study of colonialism.

INDIAN SOCIETY IN VALLEY OF LIMA, PERU 1532

Moreover, he shows how institutions forged under colonialism bring countries to relative levels of development that may prove remarkably enduring in the postcolonial period. He explores why certain kinds of societies are subject to certain kinds of colonialism and why these forms of colonialism give rise to countries with differing levels of economic prosperity and social well-being.

Indian society in the Valley of Lima, Peru, 1532

The bibliography contains a geographical index and indexes of persons and authors. The book posits that late sixteenth-century cities, specifically Lima and Arequipa, were host to indigenous and Spanish families but also to numerous 'blended' families borne of a process of mestizaje. The earthquake-tsunami demolished churches and major buildings, damaged food and water supplies, and suspended normal social codes, throwing people of different social classes together and prompting widespread chaos.
