## FCAA

No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act, within the meaning of Section 17556 of the Government Code. The United States asserts that the utilities each made major modifications to their plants in order to extend their lives and avoid the cost of building new plants. Abolished by Reorganization Plan No.

## Final Rule for Control of Emissions of Air Pollution From Nonroad Diesel Engines and Fuel

Department of Justice, the U. EPA that revises the State's Title V operating permit programs to resolve California's Title V program deficiency by providing the Attorney General's and the chaptered legislation SB 700.

Industrial enterprise shall also include an enterprise primarily or incidentally engaged in cogeneration by means of cogeneration facilities or in production of electric energy by means of small power production facilities.

### Bill Text

Many of these actions cost tens of millions of dollars and took years to complete.

## Records of the Environmental Protection Agency [EPA]

The permit applications contained: descriptions of emissions points, emissions rates, and a range of other types of emissions-related information as required by the district; a description or citation of all applicable federal air pollution control requirements, including test methods for determining compliance; any exemptions from otherwise applicable federal requirements; a compliance plan for all sources; proposed methods for certifying compliance and a statement of the source's compliance status; a certification statement; and other information. Environmental Protection Agency, the Department of Justice, and the State of Colorado announced a settlement with Noble Energy, Inc.

### FCAA

Records of the Environmental Impact Statement EIS Branch consisting of preparation files, 1976-83.

### Bill Text

The plants have operated without the best available emissions-control technology, increasing air pollution near the facilities and far downwind of the plants, along the Eastern Seaboard. FOR IMMEDIATE RELEASE: WEDNESDAY, MARCH 1, 2000 U.
