## Quick Scrapbooking Ideas 1

Like most scrappers, when I started I would get so excited about choosing the right photos and embellishments, but would only give a little thought to the words on my pages.

### The Secret Formula To Writing The Best Scrapbook Titles!

You know what else is limitless? Imagine you're looking through a friend's scrapbook album. Print your text on transparency and you can easily position it wherever you want it to go.

Even with scraplifting, you can create very different looks.

### Feature At

See any inspiring layouts that you really like? Titles set the tone of your pages and bring everything on your page together to create a strong theme. It works with paper strips too. A decorative border is an element that adds lots of personality and helps create or highlight a theme, yet still allows the photos to shine.

You can recreate those sentiments of wholeness over and over again with the new Circle Cutter! Sometimes it's just nice to switch things up with your page titles.

### 14 Scrapbook Layouts for Kids

Fast and easy way to add more visual interest to a layout. The same goes for Colby's Soccer Game. Place a piece of yellow suns designer paper in the trimmer and cut one edge off.

Your headlines don't always have to be simple and straightforward. Add charm to your titles by using different types of material for the lettering. Ideas include using common household items to stamp, piecing together scraps to form embellishments and adding the look of handstitching to your layout, without the needle and thread.

#### **Scrap / TavazSearch**

They sculpt and design themselves to enhance trellises, pergolas or other architectural elements of a home. They offer shade for patios and screen your porch for privacy.
