## The Storm of the Century: Tragedy, Heroism, Survival, and the Epic True Story of America's Deadliest Natural Disaster: The Great Gulf Hurricane of 1900 by Al Roker

When he gained consciousness, he realized his demise. Here you get Jesse Eisenberg playing Mark Zuckerberg and the beautiful Armie Hammer doing double-time as both of the Winklevoss twins to tell you all about it. Though some may dream of a world free of baby shrills, Children of Men paints a grim picture of what it would be like if the world had no more children.

I will always love Isaac's Storm as the best book about the 1900 Storm, but this one will be added to the list. By the final act, Chicago is ablaze and chaos ensues. Based on Cheryl Strayed's memoir, Wild: From Lost to Found on the Pacific Crest Trail, and starring Reese Witherspoon, Wild tells the story of the author, who, after a series of losses and struggles, from the death of her mother played by Laura Dern to the crumbling of her marriage, decides to embark on a journey of self-discovery by hiking 1,100 miles of the Pacific Crest Trail.

### 60 Best Movies Based On True Stories

In a rare dramatic role for comedy icon Melissa McCarthy—for which she was nominated for an Oscar—she plays the real-life Lee Israel, a writer struggling with alcoholism, financial trouble, and a string of career failures, who resorts to forging letters from deceased authors in order to make ends meet.

Only the wealthy contributed part of the cost for their houses. Where were the people going? Russell Crowe plays the brilliant Nash, whose rising career and stardom is at risk of being derailed by his own personal demons.

### 15 Best Disaster Movies You Should Watch

And Eddie Murphy is so damn good in this role you won't be able to just watch it once. He survived the fall, unbeknownst to Yates, who assumed he died.

### **The Storm of the Century: Tragedy, Heroism, Survival, and the Epic True Story of America's Deadliest Natural Disaster: The Great Gulf Hurricane of 1900 by Al Roker**

Starting with snapshots of a dozen inhabitants of Galveston, Texas as they go about their lives in the first steamy days of September, noted weather forecaster Al Roker sets the scene. He came up with this account of the train disaster of number two leaving Roanoke, Virginia on July 1, 1889. Faced with starvation and radio news reports that search and rescue stopped, the survivors fed on the dead passengers preserved in the snow.

### **TOP 100 BEST DISASTER FILMS**

How were they to go about rebuilding the community? It must have been one of the greatest disasters in history or something. Rushing water had lifted buildings from their foundations, smashing them into pieces, while wind gusts had upended steel girders and trestles, driving them through house walls and into sidewalks. Even Western Union collaborated with the U.
