St Pauls Cathedral, London

They furnished a recorded tour and we sat in chairs in the middle of the Cathedral and simply listened.

St Pauls Cathedral, London

But legend and medieval tradition claims it was.

St. Paul's Cathedral

Unfortunately, the earlier Gothic cathedral was largely destroyed in the Great Fire.

St. Paul's Cathedral

The cathedral's finances were affected by the ensuing closure. He produced a drawing of the proposed dome which shows his idea that it should span nave and aisles at the crossing.

St Paul's Cathedral London

The foundations settled as the building progressed, and Wren made structural changes in response. Wren's solution was to employ a Classical portico, as at Val-de-Grâce, but rising through two storeys, and supported on paired columns.
