There is also a trend to use only one kanji character for girls' names, especially when choosing names that are associated with a plant or nature.

### Fumiko Enchi

They, however, tend to neglect her political aspects and are reluctant to regard her as either a political or a feminist writer. Car jusqu'au milieu des années 1930, Canguilhem est resté fidèle au courant dominant de la philosophie française du XIXe siècle.

### Bibliografías: (1904

Driven by jealousy after his marriage to Mieko, Aguri engineered for Mieko to fall down the stairs, causing her to miscarry several months into her own pregnancy. In the morning, he relates his suspicions to Yasuko, who dismisses them offhand, likening his confused perception of reality to an episode of the Heian era uta monogatari, The Tales of Ise.

### Masks (novel)

All of Enchi's major concerns are brought into focus in this work. From among hundreds of geishas and daughters offered up for sale by their families she must select a respectable young girl to become her husband's new lover. Herein, struggle is examined not only in terms of theme, characterization, imagery, and style but also as a major determining factor in the development and progression of narrative itself.
