From Mother Russia with Love: The Domostroi

Let us repeat that: Nowhere does Holy Tradition ever allow a man to beat his wife for any reason.

About: Domostroy

Il titolo completo è Un libro chiamato «Domostroj» contenente informazioni utili, insegnamenti e istruzioni per ogni cristiano, marito, moglie, figli, servi e ancelle. .

The : Rules for Russian Households in the Time of Ivan the Terrible (1994, Hardcover) for sale online

Såsom författare har uppgivits Ivan IV:s rådgivare munken Silvester, men även om han redigerat detta samlingsverk av praktisk och moralisk undervisning, som delvis är byggt på äldre handskriftsamlingar, har han själv dock skrivit endast det sista 64:e kapitlet, den så kallade Lilla Domostroj, innehållande råd och lärdomar av fadern till sin son Anfim. Gradually, however, the government curtailed the right to leave. It showcased the importance of having order in the household, and how essential it is to be successful by including religion in all plans.

Putin Signs Law Allowing Russians To Beat Their Wives Once A Year, Because Traditional Values

A good servant should not come to her mistress bringing wicked tales, or wizards with roots or herbs. Unlike their military colleagues, therefore, chancery personnel were predominantly urban, living by preference in Moscow and visiting the provinces only for the duration of a particular post. Those who are worthy should take communion also.

The Domostroy as an Educational Narrative in the Medieval and Modern Russian Pedagogical Paradigm

At its core, Bed and Sofa is not just a love triangle, but a tale of a different sort of exchanges, involving housing arrangements as well as social status.
