### Afghani Strain

One of the final major battles of the first phase of the war came in March 2002 with Operation Anaconda in the eastern province of Paktia, which involved U. A number of countries have separate constitutional courts. The change in command comes at a crucial time in the war, as additional surge forces are scheduled to arrive ahead of a critical operation in Kandahar.

### The Afghanistan Papers: Documents reveal U.S. officials knew the war had become unwinnable

Defense Secretary Leon Panetta announces the Pentagon's plan to conclude combat missions by as early as mid-2013 and shift to a primarily security assistance role in Afghanistan. Karzai wins with 55 percent of the vote, while his closest rival, former education minister Younis Qanooni, polls 16 percent. Industry includes mining, manufacturing, energy production, and construction.

### Afghanistan War

Revenue mobilization is expected to stall, reflecting: i exhaustion of revenue potential from measures implemented in 2018, including amnesty programs; and ii declining customs revenues in the context of political instability and weakened governance. Please note we have no control over the security and reliability of postal mail. It is a useful indicator for gauging the success of family planning programs aiming to reduce maternal mortality, increase contraceptive use — particularly among married and unmarried adolescents — delay age at first marriage, and improve the health of newborns.

### Afghani Strain

The took over control of the peacekeeping mission. Signaling the persistent challenges facing the U.

## **Afghanistan News Headlines**

In a nationally televised speech, the president commits an additional thirty thousand forces to the fight, on top of the sixty-eight thousand in place.

## **66 Interesting Facts About Afghanistan**

They also plan, supervise, and evaluate care and treatment plans by other health care providers. It is a landlocked country in South Asia.

## **Afghanistan News Headlines**

After a three-year delay, the Afghan government held parliamentary elections in October 2018, and the next presidential election is scheduled for September 2019.

## **Afghan Online Press**

This category includes not only foreign currency and gold, but also a country's holdings of Special Drawing Rights in the International Monetary Fund, and its reserve position in the Fund. Recent depreciation is thought to primarily reflect declining confidence in the context of upcoming elections. The current account is expected to gradually deteriorate over the medium-term, because of declining international grants.
