### Chapter 4: Eye movements

However upset they are, it actually means their parent is teaching them about appropriate limits. Research in Autism Spectrum Disorders, 5 1 , 604 —613.

### The Observing Eye

The observing eye would say that now you need to focus on this new project. He was raised by monks until the age of 16, but he was full of fighting spirit and destined to be a Samurai, like his father. I was able to hold it with averted vision 100% of the time with the 6mm ZAO-II and 50% of the time with the 6mm Ethos.

### Observing List

There are several ways to tell the difference between stars and planets.
