Southeast Asia

Regardless, a nice start to reading more about the area! Empires within the region waxed and waned and at various times links were established between the mainland and the islands of the Indonesian Archipelago involving both politics and trade. This is an ideal environment for fish, coral, seaweeds, and other products.

Southeast Asia: An Introductory History by Milton E. Osborne

Despite a strong agrarian base, the communities that developed in these regions were also part of the maritime trading network that linked Southeast Asia to India and to China. Apart from a few deep underwater trenches, the oceans are shallow, which means they are rather warm and not very saline.

Southeast Asia: An Introductory History (12th Edition): Osborne, Milton: Amazon.sg: Books

In the age of colonialism this meant that European companies or Imperial empires tended to chew off dangling peripheral regions, Thailand perhaps narrowly avoided being completely gobbled up between the French and the British, but as it was it lost chunks of itself to Malaysia and to Indochina. As such it's perhaps best used as a launch-pad book or a quick-reference memory refresher.

Southeast Asia: An Introductory History

Well worth keeping handy on the bookshelf.

The Cham people of central Vietnam and Cambodia are also Muslim. It's not going to knock your socks off, it is what it is, a concise history of Southeast Asia.

SOUTHEAST ASIA: AN INTRODUCTORY HISTORY (12TH EDITION):OSBORNE, MILTON

Perhaps just because with the Europeans a lot more was recorded, but the result is a book more about Europe's effect on the region rather than about the local cultures themselves. China, the world's most populous country, accounts for between 20 and 25 per cent of the total.

Southeast Asia An Introductory History PDF Book

The point may be made over and over again.

Southeast Asia : An Introductory History by Milton Osborne (2013, Trade Paperback) for sale online

In his helpful section on literature of SE Asia Osborne nevertheless makes no mention of Very helpful introduction to a region I hitherto knew little about.
