Rather, it should shape the Christian life and inform the practice of the church. The only agenda is the desire to find out what Jesus and the apostles taught about church. This is a no holds barred prophetic vision for the church in the twenty-first Century.

Reimagining Church on Apple Books

Very well written book discussing many of the current ills of the American institutional church. Time and again, the broad-sweeping narrative of organic versus institutional is marched out for the reader. This is the constructive follow-up to Pagan Christianity by Viola and Barna.
