Ungers, Morphologie City Metaphors

With many attempts to untie the knot, Alexander realized the futility of his strategy.

O.M. Ungers: Morphologie/City Metaphors by Oswald Mathias Unger

In Ungers' vision, the divisions of Venice are transformed into a handshake and the 1809 plan of St Gallen becomes a womb. In such a world it would be like living in a vacuum; everything would be of equal importance; nothing could attract our attention; and there would be no possibility to utilize the mind.

Speak Mixed Metaphors: Assemblage Urbanism

Might we then posit a particular type of metaphor instead? With our complete resources, you could find Oswald Ungers Mathias. Ungers assigns each a title--a single descriptive word printed in both English and German.

Ungers, Morphologie City Metaphors

First published in , German architect Oswald Mathias Unger's City Metaphors juxtaposes more than various city maps throughout history with images of flora and fauna and other images from science and nature. There is seemingly an endless barrage of Insert Urbanism that is not too far from a game of mad lib with the city. Unger writes in his foreword: Without a comprehensive vision reality will appear as a mass of unrelated phenomenon and meaningless facts, in other words, totally chaotic.

Speak Mixed Metaphors: Assemblage Urbanism

In such a world it would be like living in a vacuum; everything would be of equal importance; nothing could attract our attention; and there would be no possibility to utilize the mind. The way we experience the world around us depends on how we perceive it.

Oswald Mathias Unger: Morphologie: City Metaphors (2011)

First published in 1982, German architect Oswald Mathias Ungers' City Metaphors juxtaposes more than 100 various city maps throughout history with images of flora and fauna and other images from science and nature.
