## Pilot parallel randomised controlled trial of protective socks against usual care to reduce skin tears in high risk people: 'STOPCUTS'

Progress on the implementation of the Act was slow, and in the end, its measures were never passed by. Typical themes include white robes mentioned by Josephus , mastery of the healing arts Philo's observation that they cared for the sick , and a quasi-Masonic hierarchy an extrapolation from Josephus' comment that their order consisted of four classes.

## Hansard Society

This would appear to mark a distinct tendency towards an international cataloguing code, meeting the requirement established in the mid-1970s to make a contribution to such an international code. Looking ahead, officials pledged to take whatever additional action is necessary to achieve the 2% inflation target, in a way that helps to sustain growth and employment. New York: Harrington Park Press.
