A REPORT ON THE PROGRESS OF

These gains have been made in the face of some fundamental problems facing human resource development in FSM.

USP: Transnational Crime in the Pacific

Further, overseas adoption was only a means of last resort where local alternatives were clearly available, as was the case here. This critique essentially was validated by the findings of a 1963 Presidential task force headed by Anthony V.

Regional Report

The establishment of a regional organ to analyse criminal activity in the South Pacific would give regional policymakers the kind of information necessary to shape an appropriate response and to expose inappropriate responses. The Art of Composing the Picture: Knowledge Production in Conflict and Peacebuilding Interventions.

ESDA

We must constantly remind ourselves that FSM is a democracy with political and economic power disbursed among 10 separate governmental units the legislative and executive branches of the four States and National Government with an overlay of the traditional system with its own chiefs and institutions.

USP: Transnational Crime in the Pacific

By 1994 that figure had risen to 7,706, a 1,000 percent increase.
