## Pacific Region Environmental Strategy 2005

Originally compiled by the British Colonial Office and published by Her Majesty's Stationery Office HMSO , this report, which has long been an essential source of information, has appeared under a variety of titles, including Annual report on Fiji, Report on Fiji, Fiji report and Fiji annual report. The author concentrates on the response of the Fijians to the Second World War, their military training for it, the campaigns for the Solomon Islands and New Guinea and the return home of Fijian soldiers. Myers 83 Denmark, Kenneth E.

## Pacific Region Environmental Strategy 2005

This range of additional sections indicates the pervasive influence of anthropology in understanding the country and its people. This checklist of Fiji's birds includes short descriptions of the species found in the islands and surrounding waters. Lawless 34 Scotland, Eric G.

## Fiji (World Bibliographical Series)

Canberra: Australian National University Press, 1970, p.

## Fiji (World Bibliographical Series)

Mineral Resources Department Hydrogeological Reports, no. Fiji's history is replete with examples of this 'unofficial' voice, and Chapple describes a number of these. This is an important work given the paucity of information on plants of Fiji.

## Pacific Region Environmental Strategy 2005

The remaining two species are both nocturnal and include the rare grass owl and the common barn owl. It covers prehistory, the people and the land, social organization, religion, and art and cultural change.

### **Fiji (World Bibliographical Series)**

Seemann, new introduction by P. Relying on contemporary records which were not previously available to scholars, Moynagh assesses the contribution of CSR to Fiji's economic development. Almost the entire Indian population is descended from indentured migrants who were brought to the islands in the late nineteenth and early twentieth centuries.

### **Fiji (World Bibliographical Series)**

Canberra: Australian National University, National Centre for Development Studies, 1991, p.

### **Pacific Region Environmental Strategy 2005**

When completed, this work will be a comprehensive botanist's flora, emphasizing nomenclature, typification, and factors related to geographic distribution.
