## The American Mafia

Edgar Hoover looks to the Hobbs Act of the early 1940s for federal authority to combat racketeering.

## New terrorism guide shows FBI still classifying Black 'extremists' as domestic terrorism threat

The LAPD wanted to identify her as quickly as possible. At the 1890 Mississippi Constitutional Convention, where all but one of the delegates were white, the intentional purging of Black people from the roll of eligible voters was a top priority. Most of the I-95 searches — 646, or 85.

## Walter Wallace Jr: Protests as police fatally shoot suspect in front of family in Philadelphia

In November 1885, journalist, activist, and anti-lynching crusader Ida B. The incident reports disclosed that where a reason is given for a car stop, in virtually all cases the precipitating event was an alleged traffic violation. The park, named after Abraham Lincoln Davis, the first African American to sit on the New Orleans city council, is a compact rectangle of basketball courts and grass patches situated directly across the street from a public-housing complex.

## I Watched Biden's Inauguration First

He yelled for backup into his radio and was eventually met by other police officers in the hallway outside the chamber. By the 1868 presidential election, those cells were poised to act as a unified military force supporting the cause of white supremacy throughout the South.

## What It Was Like To Report From The Pro

For example, traffic codes define precisely how long a driver must signal before turning, and the particular conditions under which a driver must use lights. In 2013, EJI published , which documents the slavery era and its continuing legacy, and erected three public markers in Montgomery, Alabama, to change the visual landscape of a city and state that has romanticized the mid-nineteenth century and ignored the devastation and horror created by racialized slavery and the slave trade. In elections for new state governments, Black voter turnout neared 90 percent in many jurisdictions, and Black voters—who comprised a majority in many districts and a statewide majority in Louisiana—elected both white and Black leaders to represent them.

## **Lynching in America: Confronting the Legacy of Racial Terror**

Witness 109 said he saw Wilson reach for his taser but dropped it and then grabbed a gun, after which Brown grabbed for Wilson's gun. According to the detective who performed tests on the gun, he had to decide whether to perform a DNA test or dust for fingerprints, because only one test can be performed without affecting the other.
