## Women and Religious Traditions

The stimulus to creative work in the Indian social science came from interaction with the west. And by the time of the British arrival, Hindus and Muslims had yet not achieved a full synthesis of traditions at all levels of social existence. In fact on the contrary it was the colonial rule of British who systematically understood the culture and broke it down and divided it and made the whole excellent system collapse with culmination in terms of division of India — 1947.

## Indian Culture and Tradition Essay for Students

Believe me it was really Golden and stop being critical of your culture as you seem to be blinded by the west.

## Culture of Sri Lanka

Not bad for a new company eh? The author has to explicitly claim he is plagiarizing? Even in the study of these areas he sidetracks lower segments of society. The coming of age ritual following a girl's first menstruation is an important marker of her entrance into the adult world, although there is no such similar rite of passage for boys.

## Debate on Tradition and Modernity in India

. Corporal punishment is quite common, especially from older males to boys. I'am a native sri lankan and I saw some people asking additional questions here but they are too old to reply.

## The Role of Women in Hinduism

Department of Commerce, the chief barriers to in India are inadequate school facilities such as sanitary facilities , shortage of female teachers and gender bias in the curriculum female characters being depicted as weak and helpless.
