## Kitāb al-

What I have said is valid at all times except in case of animal products obtained from non-Muslims. Peace be on you, O the decisive argument of Allah on His earth! In Tahdhīb al-Akārah, Shaykh al-Asqaf says that the narrations dealing with the merits and rewards of visiting the tomb of Lady Fatimah al Zahra sa are too numerous to be counted. Some a'yan najisah can be purified easily, while other a'yan najisah can be purified only through a long process of change and transformation.

## Ziarat of Syeda Fatima Zahra(sa)

Blood of human being is najis. While discussing the ritual purity or impurity of the non-Muslims, the mujtahids divide all the kuffar-- dhimmi, harbi, murtad fitri and milli-into two distinct groups: mushrik and ahlul-kitaab. There are three other groups - ghulat, nawaabis, and khawarij- who are also considered kafir and najis by the Shī'ah fiqh, in spite of the fact that these groups were off shoots of Muslims during the early stage of the Islamic history.

## Friday Ziyarat of Imam Mahdi (a.t.f.s.)

This mutahhir is mostly useful in case of animals. Similarly, all the food items produced from the meat and fat of pig is najis. The narration of Thaqalayn is narrated through two asanid in the book Tadkirat al-Khawas of Sibt ibn al-Jawzi.

## Friday Ziyarat of Imam Mahdi (a.t.f.s.)

The second among mutahhirat is the earth. However, in the above case, if the person's private parts sweat, then he or she must purify the organ, the immediately surrounding area and the underwear with water.

## Friday Ziyarat of Imam Mahdi (a.t.f.s.)

As for the liquid things that may become najis e. Is it possible to purify the najis things? While urinating or emptying the bowels, it is necessary to conceal one's private parts from the on-lookers.

## **Tadhkirat al**

By Allah, they brighten the hearts of the believers.

### **I. Najasat & Taharat**

You already know that the urine and excrement of the halal animal are not najis.

#### **Almuntazir Schools**

Such a person will become kafir provided he realizes that rejecting such Islamic tenets amounts to believing that the Qur'anic verses on salat and hajj are not part of Allah's Book, and this in turn means that Prophet Muhammad had not been faithful in fulfilling the mission of Allah. After this prayer this Ziyarah is recited.
