### **Book excerpt: The origin story of Estée Lauder, from Company I**

The Lauder family is also known for charity work in Jewish and other causes. She knew they had influence on the opinions of others, and she used every opportunity to meet and hobnob with the elite but always believed her products were good for anyone, no matter their status or budget.

### **From One Woman's Passion to Cosmetics Empire: The Estée Lauder Story**

In 1986, named him as the , a position he held until 1987. Customers responded, and she learned an important lesson.

### **The fascinating story of Estée Lauder • Dave Lackie**

Ejuice Store Flash Sale Every smoker know how tough it can be to quit smoking. A big breakthrough came when she began giving product away. My father's parents also came from Austro Hungarian Galicia, and she bears an amazing resemblance to my late Auntie Ray, one of my father's 2 sisters, who died in 1969.

### **From One Woman's Passion to Cosmetics Empire: The Estée Lauder Story**

Her mother's brother, John Schotz, a chemist, had left Hungary before World War I and settled in New York. She did not marry a Russian prince. Skin creams from a restaurant She and her husband filled the order themselves, cooking up the creams in their factory, a converted restaurant, and bottling them in attractive jars.

### **Ronald Lauder**

In the 1960s and 1970s, she was a freelance writer, contributing articles on film, theater, and television to several publications including The New York Times and Soap Opera Digest. In 1924, when Esty was sixteen, her uncle, chemist John Schotz, arrived from Hungary with his own facial creams and a few shampoos. Her first book, Miss Tallulah Bankhead, was published in 1972.

### **Estee Lauder Beyond The Magic by Lee Israel**

Saleswomen wore white lab coats designed by Estée, the packaging was different, and the counters lit by clinical fluorescent lighting. She was to have been named Esty after an aunt but the clerk recorded the name wrong. In two days, Saks sold out and the company was on its way.
