. That being so, royalty has not been considered as an admissible item of cost for this tariff exercise. The proposed rates for handling were prescribed in AnnexureII of the bid document.

**Bibliografie tematyczne: „Tariff on casters”**

As has been mentioned earlier, the existing tariffs were allowed to the PSA SICAL by accepting its proposal to adopt the then existing CHPT rates. It further observed that no extraordinary circumstances appear to emerge in the case of SICAL warranting any exceptional consideration. That being so, in the light of the TPT's conditional support to the request for dollardenomination, it will be necessary for us to clarify that our approval of the tariffs cannot be interpreted to amount to any implicit approval of royaltyrelated issues.
