Khuri maintains that standard theories of modernization do not fully explain the global resurgence of fundamental religion Al-Qaradawi, Yusuf 2 vols. From Egypt and Syria to Tunisia and Libya, the Brotherhood and its affiliates are now faced with the complex task of transforming themselves from semi-clandestine opposition movements into legitimate political actors and, in some cases, into ruling powers. While many twentieth-century observers have commented on Sufism's decline, and modernists and fundamentalists alike have criticized the movement, few scholars have analyzed present-day Egyptian Sufism as a system in its own right rather than as a degradation of the classical ideal.
