In addition, it enables us to provide participants with additional insights into the impact of their ESG programs, the basis for and paves the way for more tailored assessments in the future.

**GRESB Documents**

## GRESB Documents

It is possible to add multiple other answers.

## GRESB Documents

Regular follow-ups: Training offered at least once a year to employees, starting from their second year of employment.

## GRESB Documents

See for additional information about GRESB Validation. For example, an entity reporting from April to March will be considered covering the period of April 2019 - March 2020.

## GRESB Documents

A section in the Annual Report would not be appropriate evidence for this disclosure type, but should be reported under Annual Report. For evidence provided in languages other than English, a thorough summary sufficient to convey the requirements have been met is required for validation purposes. Incident: An unplanned, undesired event with actual or potential adverse impacts.

#### **GRESB Documents**

Standing Investments: Real estate properties where construction work has been completed and which are owned for the purpose of leasing and producing rental income.
