## HSK6

For example, the Shandong Provincial Population and Family Planning Regulations lists 14 circumstances in which couples are permitted to have more than one child. An official quoted in the Legal Daily report suggested that the human trafficking buyer market can be broken down into three main categories: 1 purchasing children for the purpose of adoption, 2 purchasing women for the purpose of marriage, and 3 abducting or purchasing women or children for the purpose of forced prostitution or child begging. As China faced a growing migrant worker population, an increasing urbanization rate, and a new generation of young, more educated, rights-conscious migrant workers, some local governments took steps to accommodate migrant workers seeking to integrate into urban areas.
