A Short History of... The Legend of Buddy Bolden

Washington, and Bunk is positively identified as the son of Gary Johnson and Theresa Johnson.

Bunk Johnson: Profiles in Jazz

Census 1910, Louisiana, Orleans Parish, SD1 ED76, Sheet 9A, Lines 45-49 The age of twenty-one in the census entry is evidence for a birth date of 27th December 1888. The results were electrifying, as no one had heard such music before.

Bunk Johnson : his life & times (Book, 1988) [localize-img.justmote.me]

We discovered the following birth dates for her: 1854 1880 U. The reason is obvious and Mamie Desdunes is part of the connecting link between the two.

Bunk Johnson music @ All About Jazz

She was pretty good looking — quite fair and with a nice head of hair. Wilson M B Henrietta Lambert F B Relationship Head Wife Son Adopted daughter Born January 1860 March 1862 July 1882 February 1881 Occupation Cotton Roller — Music Teacher Organist There is no evidence when Alfred started learning the piano, but he was obviously at an excellent standard by 1900. The building was the residence and business address of Antonia P.

Bunk Johnson: Out of the Shadows

Unable to find much work, he struggled during the year and in November suffered a stroke. She had been married to George Degay for two years but had no children.
