Dialogue: The Difficulty of Speaking

After St Gregory this tradition of chant continued to develop and be enriched until the upheavals that brought an end to the Middle Ages. Monasteries are visited by

Filesize: 31.72 MB

people who want to sing Lauds and especially Vespers.

To Understand and to Teach the Church's Sacramental Language

It is the molten lava, held sometimes for centuries in the belly of the volcano. The people, although no Latin scholars, loved it.

Franciscan Spirituality

Although research shows each sex exhibits different ways of demonstrating attraction, there are also many different types of body language attraction that are common to both sexes. Even more difficult is the question of adaptation and inculcation especially when we think of the sacredness of the sacramental rites, the centuries-old tradition of the Latin Rite, and the close link between faith and worship encapsulated in the old formula: lex orandi, lex credendi.

The Inner Language of the Subconscious

And like volcanoes: in dialogue, the pressure is everything.

The Inner Language of the Subconscious

If a man sweeps his whole hand through his hair, it usually shows that he is interested and acts as a kind of preening for the attention of a potential

new entry into his love life. Perhaps the greatest temptation, and most frequent error, dialogue writers make is to speak too much.

The Inner Language of the Subconscious

He is, in part, poet—aware of charged language and how to arrange it, aware of all the indirections of metaphor, the suggestions of figure.
