### Practical Pan

The creation of a merchant marine and a great navy is too serious a task to be completed in a shorter period than a number of years, and before it could be finished the opportunity for an aggressive move of which it was the prerequisite would have entirely disappeared. It is to be secured and maintained in no other way, once we have won it.

### A Conceptual Exploration — EGO

Daniel was nominated to the post of Patriarch of Moscow. America has too start standing together and fight the radicals.

Neither produces all it needs; neither makes the slightest attempt to produce everything; each counts definitely upon obtaining from others what it does not make and of supplying to them in turn the surplus of commodities which it does not consume at home. If we shall decide against extensive armament, it will be, so far as these problems are concerned, equivalent to a decision for disarmament.

### The Southern Cone and the Origins of Pan America, 1888

The Battle of Armageddon will be a spiritual battle According to Cayce, the entire Bible can be viewed as the symbolic account of the past, present and future of humanity: from the fall of human souls from heaven the Book of Genesis to the restoration of human souls to their divine origins the Book of Revelation. To question the expediency of any particular application has never been and is not now to question the validity of the Doctrine itself, but involves simply a consideration of the ways and means, of the ends and methods expedient under existing circumstances.
